Utilityflex Online Utility Payments

Utilityflex

Utility Payments Made Easy!

Utilityflex web portal is a convenient method for utility companies to collect utility payments online. Users sign up for an account and log in through a secure portal to view and pay their utility bills at their convenience. The site gives the user the ability to view their account details and pay using Visa or MasterCard credit or debit cards and eCheck.

Business Information Systems handles all the processing for completing the transaction, including transferring funds through ACH (automatic clearing house) to your bank. The utility company doesn't have to worry about setting up and maintaining an e-commerce site.

- > Fast and Easy method for taking online payments
- > Allows customers to pay with Visa or MasterCard, credit or debit
- > Customers have access to paying their accounts, 24/7

Customers using this site will be charged a convenience fee by BIS Online Services and Utilities are charged a one-time setup fee and annual support fee through Local Government Corporation.
