

SignEase

Improve your office's productivity and efficiency by electronically signing your pre-printed laser documents!

~ Signatures are securely held on a CD.

~ Signatures are encrypted for extra security and a login and password are required to unlock them.

~ An audit log is always running in the background keeping track of all document signing activities including:

- * Date
- * Time
- * User ID
- * Number of documents signed

For more information contact LGC's Marketing Department at 800-381-4540, or email us at marketing@lgdpc.com. Also remember to visit us on the web at www.localgovcorp.com
